Hi, Aaron...

1. I didn't know they had rest areas anywhere by the Interstate ... let's leave it at Interstate Rest Areas.
2. No directive at this time.

Thanks very much,

Kathie @ Rep Musser's Office

Thanks Kathie. This document was very helpful. A couple of clarification questions before I finish up this draft:

1. The instructions mention only interstate rest areas. I'm not sure what percentage of DOT's rest areas are on interstate highways, but the draft as I understand it would be limited to only these rest areas; it would not cover all DOT rest areas. Is that the intent?

2. The DOT manual specifies that in some circumstances DOT takes down the state flag to fly the MIA-POW flag for two weeks. If the bill passes, I assume DOT will have to take down some state flags or erect additional flag poles at some locations. Do you want to leave the bill silent on this issue, or have the bill give DOT a directive on this issue?

Thanks. Aaron

You are certainly welcome to speak with them. Thomas Lorfeld, PE, 267-3149.

The information on current rules were faxed here from RAM Program Manual, Section 13.1.

If you'd prefer, I can have a page bring our copy to you.

I will handle this draft. Can you tell me based upon your contact with DOT described below (or can I speak with DOT) whether there are any current policies or procedures on flying flags and what, if any, rule or statute they are based on? Thanks. Aaron

LRB Transportation Drafter,

I have received a constituent request to draft legislation which would require that POW/MIA flags be flown every day at Interstate Rest Areas in Wisconsin.

Currently, these familiar black flags are flown in rest areas on certain days around Memorial Day, Independence Day, and Veterans Day.

Terry has contacted David Simon and Thomas Lorfeld, Pavement Maintenance and Roadside Facilities, WI DOT, for current regulations on flying flags.

Please let me know if more information is needed, OK?

Thanks, Tim,
